Scholarship Award Information

Staff Association is once again pleased to announce that we will be awarding Scholarships through EducationMatters for our members' children currently in grade 12 to use toward their post-secondary education. We are offering eleven (11) awards: six will be based on financial need (6 x \$1,500 awards); and five will have no financial need restrictions (5 x \$1,000). Please click on the link below to access Staff Association's Scholarship Award Information and Application:

- Each student must have a parent or guardian who is a current member in the Calgary Board of Education Staff Association (PSS and Main Body). The parent or guardian must note their location of work and position at the end of Section IV, *Student Applicant and Parent/Guardian Declaration*.
- Please note that the deadline for EducationMatters to receive the online applications is May 30th. Late applications will not be accepted.
- **Applicants should check with their guidance office for more information and are encouraged to discuss their application with the Scholarship Coordinator at their high school.**
- Recipients of the awards are selected by the EducationMatters Student Awards Selection Committee in September, and only those individuals who are selected, will be contacted by EducationMatters.

SA Office Update

As we indicated in our March 16, 2020 FYI, the SA office has temporarily closed our doors as we are adjusting to our new reality, and are practicing social distancing until it is safe to be back at the office and conducting face-to-face meetings with our members and CBE administration. We are working remotely and will continue to work diligently to respond to any email or telephone inquiries/concerns that you may have.
